THE POWERHOUSE OF POTENTIAL AT YOUR BEHEST

3 JSB students undergo a transformational journey resulting in their will to succeed, determination to change and passion to sustain.

SHISHIR JAIPURIA
Chairman,
Jaipuria Group of Educational
Institutions & Chairman,
Board of Governors,
Jaipuria School of Business

As the world embarks upon a new era post the pandemic, our lives – including the business landscape has undergone an extraordinary change. It is not only way more inclusive and dynamic but rightly competitive as well. Small or big; experienced or nascent – every type of business now strives to be more creative and relevant than ever before.

Therefore, the amalgamation of ideas and innovation at the hands of insightful business leaders is what leads our way to the future. With the scenario evolving every minute, growth belongs to those individuals and organizations that are equipped to make a difference with their thoughts and actions. Be it across any sector; one thing that remains common for every doer is their will to succeed, determination to change and passion to sustain.

The Jaipuria School of Business is humbly proud to present such a pool of agile candidates who embody every bit of what

today's modern businesses aspire to be. Standing tall and strong with a lineage of educational excellence from the Jaipuria Group of Educational Institutions, JSB is the flagship institute of the group and has been shaping the next generation of business frontrunners for over a decade now. The school was established in 2008, by noted philanthropist, and industrialist, Dr. Rajaram Jaipuria in line with the group values of Empower, Enthuse, and Excel.

With JSB's innate culture to grow and evolve; our students undergo a transformational journey from day 1. As a result, they are high aptitude thinkers with evolved mindsets. They are bold enough to step out of the ordinary and yet be rooted in ethics such that business is done with insight and impact.

As this year's recruitment season takes a kick-start, I am delighted to welcome you to a powerhouse of talent – JSB!

PREPARING THEM TODAY FOR LEADING YOUR TOMORROW

We live in a time when businesses are becoming increasingly hybrid. From incorporating tried and tested approaches to taking a leap to the future with disruptive models - it's all about hitting the nail at the right place at the right time.

But surely the pathway to developing the vision of being a futuristic management institute of excellence in the country isn't a cakewalk! It takes an enormous amount of know-how, multi-disciplinary learning, and an experiential approach for doing business with impact. It is also the outcome of rigorous training that helps young minds become adroit business leaders.

At JSB, their journey to becoming the best version of themselves begins from the very day they step into this vibrant institute. With holistic development of students at the centre of what we do, it has always been JSB's legacy to strike the right balance between knowledge, soft skills, and social awareness.

Be it top-notch faculty members, comprehensive curriculum, or advanced industry training - every bit of the students' educational experience is intended to chisel them for the real world. Being strategically located at Indirapuram, Ghaziabad within Delhi-NCR, JSB also offers its students enriching industrial exposure to a wide range of firms across various sectors. All these efforts lead to Excellence in Education and Research

As a result, our students are equipped for the corporate world from day 1. They are career oriented yet grounded, vivacious yet poised - just what the industry needs to handle its shifting challenges.

I invite you to engage with our unique talent, whose potential is waiting to be unleashed in your progressive setup.

3 We at JSB, bring the best of ancient wisdom and latest technologies for preparing our students to be the torch-bearers of tomorrow.

Jaipuria School of Business

BUILDING A GLOBAL MINDSET AND VALUE-DRIVEN INDIVIDUALS

Dear Recruiters,

Welcome to Jaipuria School of Business (JSB),
Ghaziabad!!

The world we live in is changing very fast and dynamic in nature specially after the unprecedented pandemic. In this dynamic and highly challenging environment, we increasingly need to question and introspect the way we have done the works so far. Now, the onus greatly lies with the Institutes which is trying to impart knowledge and disseminate the required skills amongst the future budding managers to meet the changing requirements of the industry. This would be an honest and conscious step towards not only making students industry ready but also a value driven sensitive human being. Hence, it is in this direction Jaipuria School of Business, Ghaziabad makes an everlasting impact on the students personal and professional life.

JSB since its inception began with an honest aspiration and human endeavour to impact truly world class education to not only enhance the quality of education but also to foster value based and skill-oriented training. Currently, JSB runs Post Graduate Diploma in

Management (PGDM), a two-year full-time programme approved by AICTE. The PGDM programme has been designed in such a way that the students get a right blend of strong theoretical foundations, analytical skills and their applications to the functional areas of management. This further strives hard to develop well rounded management graduates who could meet the demands of management in the present-day business environment. The Institute has, therefore, introduced several structural changes in the curriculum of PGDM as per the latest requirement of industry and business through elaborate industry interactions and regular contact with prominent professionals. All these efforts lead to "Excellence in Education and Research".

In the post pandemic situation, the economy requires added need of professionals with an aptitude to work in a ever changing and volatile environment. Innovation and ready to accept the challenge is going to be the mantra for success. Here at JSB, we believe in shaping and preparing global leaders who contribute to the progress of the society at large.

We honestly believe that the best way to survive is to accept the change as constant and drive our students in the particular direction. JSB has highly seasoned and experienced faculty members those who constantly guide and mentor the PGDM students to apply all the concepts and the skills to the industry perspectives. Our current batch PGDM students will be graduating in May 2025. Therefore, we cordially invite you for the final placement of PGDM students of JSB who has been closely educated and trained in the major functional areas such as Marketing, Finance, HR, Operations, International Business and Business Analytics.

DR. TAPAN K. NAYAK
Dean Academics

GREETINGS FROM JAIPURIA SCHOOL OF BUSINESS!

Dear Recruiters,

Heartiest greetings from Jaipuria School of Business!

I am much delighted to present to you the 2023-25 Batch of our celebrated Post Graduate Diploma in Management. I take this opportunity to quickly take you through the training, exposure and culture at JSB – which forms a crucial part of every student's journey.

At JSB, the focus is to develop managers who possess the knowledge and ability to implement ideas with vigour and agility. The program goes way beyond academic rigor – with the emphasis being on letting students engage with and learn via industry interactions, seminars and webinars on contemporary issues in management.

Amongst its various initiatives to strengthen the culture of learning and to develop experience-based insights, JSB has recently launched iLead – a series of talks by industry experts to enhance

understanding of true leadership amongst students. Besides, there are several other new initiatives that aim to provide corporate internships and other hands-on learning opportunities for our students.

This guide is just a glimpse of our meticulously designed curriculum, reinforced by industry interactions. It also provides a snapshot and demographic profile of the batch, groomed as committed professionals – who are ready to meet the industry's ever-evolving needs.

On behalf of the JSB family, I thus extend a warm invitation to you and your organization to come and experience the breadth of our young pool of talent. As we look forward to hosting you and the team at our campus for the placement process; we also hope to continue with a long and fruitful relationship with your organization.

Cheers to your memorable and fruitful recruiting experience at JSB!

STEERING SKILLS TO DRIVE THEIR KNOW-HOW

With the Capstone Project being a collaborative research-based work on a comprehensive management problem or question of practical significance, its desired outcome is that it provide solution to a problem. Here, students steer the project with required inputs from the faculty guide as per the chosen topic.

With a valuable intellectual experience, it provides students the platform to demonstrate skills of creative thinking, critical reasoning, application of theory, analysis, synthesis, and evaluation while solving problems.

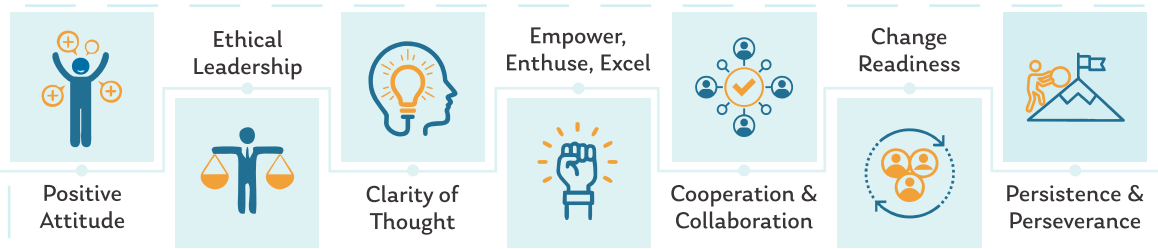

EQUIPPED TO LEAD WITH A DIFFERENCE

At JSB, the Summer Internship Program (SIP) is designed to provide students an experience in business organization and to enable them to develop an orientation toward the industrial environment. Being six to eight weeks long, it exposes students to the dynamics of an organization and to integrate classroom learning with practical experience.

So while the host organization benefits through availability of young and enthusiastic interns possessing newer ideas to aid in execution of organizational tasks, students learn from industry veterans.

KNOW-HOW BACKED BY STRONG VALUES

JSB believes in shaping complete professionals, who are as ethical and honest as they are competent and ambitious. This results in the development of a rigorous training that is backed by sturdy aspects of personal development along with business skillset.

EMPOWERING TALENT WITH EXCELLENCE AND LEADERSHIP

JSB's multiple participative pedagogy brings together tools, techniques and teachings that redefine every young mind's understanding of management. In a highly conducive and invigorating environment, our pedagogical approach takes the lead to engage students deeply in academics, industry and experiential learning.
